

Table 5: Spoken Comments at April 26, 2006 Scoping Meeting

Number of Comments	Comment
Alternatives	
4	Coordinate with the Streetcar Study; comprehensive transit system; get close to destinations
3	Plan to serve Low Income, Minority and Transit Dependent riders; plan on low fares
2	Link to proposed High Speed Rail system
2	East End option: airport
1	Plan to minimize travel times
1	Utilize Existing Rail Right-of-Way to maximize travel speed and reduce conflicts with bicycles.
1	Preserve Metro service
1	West End option: Mineral Pt. Road (Middleton will not generate ridership; concerns over neighborhood impacts in Middleton)
1	West End options: Middleton service
1	East End option: East Town
1	Consider North-South Route, connecting Oregon, Fitchburg and Downtown Madison via Park St.
Impacts	
1	Evaluate energy use and energy efficiency impacts
Study Process	
2	Plan for entire region
1	Reduce auto-oriented transportation expenditures
1	Create more public partic opportunities; expand stakeholder base.
