Initial Public Information Meeting Planned for April 26, 2006

Transport 2020, a study of transportation improvement alternatives for Dane County and the Greater Madison Metropolitan Area, has started a new phase to refine, evaluate and recommend an initial start-up transit system. The first major opportunity for area stakeholders to learn about this phase of the study and to provide comments and guidance will occur on April 26 at a public scoping meeting.

The City of Madison, Dane County, and the Wisconsin Department of Transportation invite the public to attend a

Transport 2020 Public Information Meeting

Wednesday, April 26, 2006

Monona Terrace
1 John Nolen Drive, Madison
"Hall of Ideas" (Rooms H and I)

Open House 5 p.m. to 8 p.m.
Presentation at 6 p.m.

This first public information meeting is part of the project scoping process, used to identify issues and concerns early in the study. All interested or affected residents, property owners, civic and community leaders, business owners, and other community members throughout the region are encouraged to attend, learn more about the project, and most importantly, provide feedback and comments.

Monona Terrace is located in downtown Madison, a short walk

from the Capitol building. It is situated along the Lake Monona bike and pedestrian path and is served by Madison Metro bus routes 3, 4, 37, 38, 56 and 57. The facility is wheelchair-accessible. If you need an interpreter, materials in alternate formats or languages, or other accommodations to fully access this public meeting, please contact the City of Madison, Department of Planning and Development at (608) 266-4635 or (608) 266-4747 (TTY). *Please do so at least 48 hours prior to the meeting so that proper arrangements can be made.*

Getting to the Monona Terrace

Plan your trip on Madison Metro. For the Destination, select "Community Centers" from the landmarks list and then select "MONONA TERRACE CONVENTION CTR"

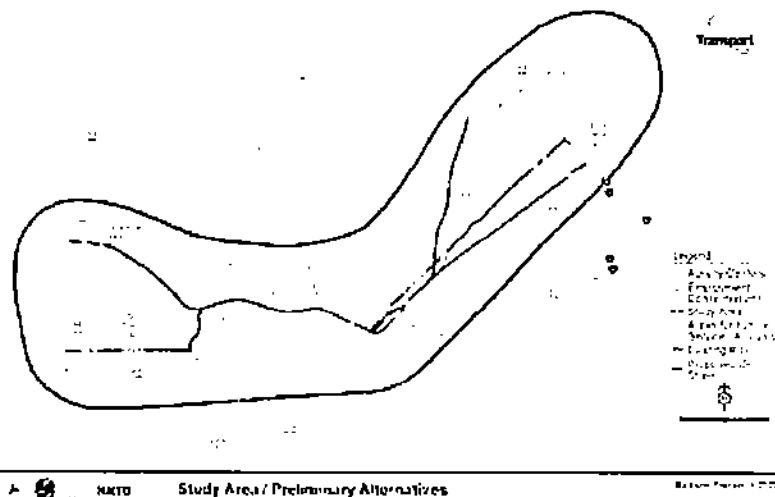

Transport 2020 Alternatives

Alternatives for Transportation Improvement

Several alternative systems for improving transportation in the Greater Madison Metropolitan Area are currently being developed and refined by the technical study team and the project Implementation Task Force. The locally preferred alternative from the first phase of Transport 2020 (PDF) – and perhaps several variations of it – will be included; the alternatives will undergo a complete technical analysis during the study, and be subject review by the public.

Details regarding alternatives will be posted on this page as they become available. Check back here soon. The current study will utilize the preliminary study alternatives available in PDF format by clicking on the image below.

The second phase of the Transport 2020 will offer many opportunities to get involved. Check this page often for information about upcoming public meetings, workshops and to see minutes and agendas from Implementation Task Force meetings.

Initial Public Meeting

The first major public meeting of this phase of Transport 2020 is scheduled for Wednesday, April 26, 2006 at Monona Terrace. This first public information meeting is part of the project scoping process, used to identify issues and concerns early in the study. [Click here for meeting information.](#)

Implementation Task Force Meeting Agendas and Minutes

The [Transport 2020 Implementation Task Force \(ITF\)](#) and several subcommittees – comprised of representatives from government, business and the general public -- meet regularly to review the results of the DEIS study tasks and to provide guidance as the study progresses. The Task Force is ultimately responsible for selecting a Locally Preferred Alternative. All ITF meetings are open to the public; attendees will be given an opportunity to address the Task Force or its subcommittees at most meetings.

All agendas and minutes are published in Adobe's Portable Document Format (PDF). You will need to [download and install Adobe's free Acrobat Reader](#) if you haven't already.

Get Involved

Transport 2020 is seeking a high level of public participation in order to plan for transportation improvements that meet the needs of residents of the Greater Madison Metropolitan Area. The study will include numerous public meetings, focus groups, walking audits in station areas and other forums to allow stakeholders to shape the plan and its results.

Public Meetings

An initial [public meeting](#) has been scheduled for April 26, 2006. [Minutes from past meetings and information about to future public meetings](#) will be posted on this page. Check back as the study progresses.
